CAREER HIGHLIGHTS

- Engineered automated pharmacist deployment model across 600+ stores, eliminating ~200 excess FTEs and delivering **AED 7.2M in annualized cost savings**.
- Drove annualized attrition from **35% down to 10%** at Life Healthcare Group within 8 months through structured retention architecture and career acceleration programs.
- Delivered **105% Emiratisation compliance** at Life Healthcare Group and **100%** at Home Centre (Landmark Group); bespoke Emirati talent development program reduced Emirati attrition by **9%**.
- Led HR transformation for 7,000+ employees across 5 geographies at Noon, achieving **43% SLA efficiency improvement** and 25% reduction in manual intervention through Darwinbox HRMS implementation.
- Piloted Amazon's Adaptive Labor Model, reducing variable labor costs by **7.5%** while sustaining productivity, strategy subsequently adopted across Amazon operations.

PROFESSIONAL EXPERIENCE

Senior Manager HR | Life Healthcare Group | Dubai, UAE Jul 2025 – May 2026

Led HR strategy and operations for a 600+ store healthcare and pharmacy group (5,000–10,000 employees), reporting directly to the Chairman. Managing a team of 18 HR professionals across HRBP, OD, TA, C&B, HR Technology, Analytics, and Shared Services.

- Engineered an automated pharmacist fractional deployment model across 600+ stores, reducing pharmacist headcount by ~200 FTEs and delivering **AED 7.2M in annualized cost savings**.
- Reduced annualized attrition from **35% (2024) to 10% (Feb 2026)** within 8 months through data-driven retention strategies, structured career development architecture, and targeted engagement initiatives.
- Achieved **105% Emiratisation compliance** against regulatory targets, exceeding mandated thresholds and reinforcing organizational alignment with UAE Vision 2031.
- Conceptualized, designed, and launched the Employee Support Centre — a ticketing-based HR service delivery platform — achieving a **35% improvement in query response rates** and enhancing enterprise-wide employee experience.
- Designed and launched three career acceleration programs — **Grow With Life** (frontline), **Chairman's Club** (exceptional performers), and **Leaders for Life** (senior leadership pipeline) — resulting in **8% improvement in high-potential talent retention**.

- Shaped enterprise talent philosophy through leadership competency frameworks, succession architectures, and long-term workforce strategies for a future-ready organization.
- Drove HR technology optimization by embedding advanced analytics into HRMS, enabling real-time workforce insights for leadership decision-making at Chairman and CXO level.
- Established employer brand positioning for Life Healthcare Group as employer of choice across UAE healthcare and B2B markets.

Senior Manager HR | Home Centre, Landmark Group | Dubai, UAE

Jan 2023 – Jun 2025

Led HR strategy and operations for GCC covering ~3,000–5,000 employees across ~100 stores in UAE, KSA, and the wider GCC region.

- Delivered **100% Emiratisation compliance** across GCC operations; designed and launched a bespoke Emirati talent development program (classroom training and project-based engagements) that reduced Emirati attrition by **9%**.
- Redesigned HR strategy across corporate, retail, and warehouse operations, driving a **15% improvement in employee engagement scores** and **12% reduction in turnover**.
- Spearheaded GCC manpower planning and budgeting, optimizing workforce allocation and achieving **10% cost efficiency**.
- Designed Forward-Looking Slate for career progression, boosting high-potential talent retention by **18%**.
- Led talent acquisition across Corporate, Retail (managerial and above), and Warehouse roles in GCC, achieving **20% reduction in time-to-hire** and enhancing quality of hire.
- Implemented employee engagement programs achieving a measurable **20% improvement in satisfaction scores** and fostering a more connected organizational culture.
- Created actionable HR dashboards in Power BI, providing leadership with real-time insights on attrition, diversity, and budget compliance.
- Established campus relations and hiring initiatives, building a sustainable institutional talent pipeline and strengthening employer brand presence.

Senior Manager, People Experience | Noon | Dubai, UAE

Mar 2022 – Jan 2023

Led HR operations and transformation for 7,000+ employees across UAE, KSA, Egypt, India, and Sri Lanka.

- Implemented Darwinbox HRMS integrated with payroll systems, achieving a **25% reduction in manual HR intervention** and **43% improvement in SLA efficiency**, transforming service delivery standards across 5 geographies.
- Restructured HR Shared Services team, eliminating backlog entirely and establishing consistent, high-performance SLA delivery.
- Revamped performance management systems across UAE, KSA, Egypt, India, and Sri Lanka, driving alignment with organizational objectives.
- Designed integrated organizational structures, improving role clarity and enabling cross-functional collaboration at scale.

Site HR Lead (HRBP) | Amazon | India

Jun 2020 – Mar 2022

HR leadership for a 1,500+ employee fulfillment operation.

- Piloted Adaptive Labor Model, reducing variable labor costs by **7.5%** while maintaining productivity — strategy subsequently adopted across global Amazon operations.
- Improved employee engagement scores by **20 BPS** through targeted culture and engagement initiatives.
- Championed DEI initiatives, achieving a **10% increase in organizational diversity**.
- Rolled out Interactive Success Profiles — a structured 1:1 career progression tool for managers and employees — resulting in a **25% increase in career planning discussions**.
- Designed and launched Childcare Benefit Program, improving employee satisfaction and frontline retention.

Deputy General Manager HR | Acko General Insurance | India

Mar 2019 – Jun 2020

- Implemented BambooHR HRMS within 3 months, enabling full digital HR transformation at a high-growth InsurTech startup.
- Launched Alpha Club high-potential development program, driving a **25% increase in talent retention** and strengthening succession pipelines.
- Designed First Impression Feedback program, capturing new joiner insights for continuous onboarding improvement.

HR Business Partner | Amazon | India

Jul 2016 – Mar 2019

- Enhanced overall engagement scores by **15%** through targeted initiatives addressing key feedback areas and proactively mitigating adverse employee experience impacts.
- Developed Early Warning System for proactive attrition risk monitoring and mitigation, improving site-wide retention.
- Reduced executive escalations through innovative strategies subsequently adopted across global Amazon operations.

- Launched Digital People Board — a real-time employee feedback platform — enhancing managerial accountability and responsiveness.

Assistant Manager HR | Coal India Limited | India

Mar 2013 – Jul 2016

Managed HR operations at one of India's largest public sector mining enterprises, covering performance management digitization (25% efficiency improvement), union engagement and industrial relations, and structured employee welfare programs.
